Ae Dosheeza...

Times Music, Rs 150

Kshitij Tarey comes out with an album that spotlights his variety as a singer. If on the one hand we have a traditional *thumri* like *Yaad piya ki aaye*, we also have other traditional songs

like Bulleh Shah's *Bulleh nu samjhawan* and also songs specially written for the album like *Ae dosheeza* and *O meri jaan-e-jaan*. Tarey sings well, though he seems a shade out of his depth in *Yaad*, but full marks for daring to explore fresh ground in such an album in addition to the tried-and-tested patterns of pop songs.
